## 40 Years With Eaton's

**MR. NORMAN S. BROOK**

Mr. Norman Brook, Customers' Relations representative of the Superintendent's Office, celebrated his 40th anniversary with the Company on Friday, May 25. He began his service as assistant chemist in the Research Bureau, becoming Manager of that department during the later years of his total of 31 years there. Before moving to his present work, he was loaned for three months to the Joint Hospital Building Fund Committee, which he found a memorable experience. Born in Castleford, Yorkshire, England, he started school there and came with his family to Winnipeg at the age of eight, completing his education here. He married in 1929 and has one son, one daughter and two grandchildren.

Mr. Brook is a member of the Northern Light Lodge No. 10, A.F. & A.M., and of the Scottish Rite. He is also active in the Outlook Club. He enjoys fishing and gardening, is an occasional golfer and used to curl.

On his anniversary day the Managers' Association presented him with a Colonial sofa; a barbecue and accessories were given him by his own and related departments, and his decorated desk was laden with wires and letters of congratulation from his friends throughout the organization. On Saturday, June 2, Mr. K. A. Smith entertained the Superintendent's Office staff at his home in honour of Mr. and Mrs. Brook.

Congratulations on 40 years of faithful, competent service, Mr. Brook, and best wishes for good health and happiness.

## MISS ELIZABETH (BESSIE) TOWALL

Forty years of service was the record achieved by Miss Bessie Towall of the Third Floor Office on Thursday, May 17. ... That man, I think, has had a liberal education, who has been so trained in youth that his body is the ready servant of his will, and does with ease and pleasure all the work that, as a mechanism, it is capable of; whose intellect is a clear, cold, logic engine, with all its parts of equal strength, and in smooth working order; ready, like a steam engine, to be turned to any kind of work, and spin the gossamers as well as forge the anchors of the mind; whose mind is stored with a knowledge of the great and fundamental truths of Nature and of the laws of her operation; one who, no stunted ascetic, is full of life and fire, but whose passions are trained to come to heel by a vigorous will, the servant of a tender conscience; who has learned to love all beauty, whether of Nature or of art, to hate all vileness, and to respect others as himself.

## OUR DRIVERS HONoured AT DINNER

The Safe Driving and Road Courtesy Campaign dinner held at the Marlborough Hotel on Thursday, May 10 gave recognition to the excellent record achieved by our drivers during the past year. Of our total of 174 drivers, 141 received safe driving buttons and cash awards earned by their attaining a clean record. Each day the combined miles covered by our drivers is equal to a trip across Canada from coast to coast. In addition to practising safety every day and in every mile, our drivers are admired and respected for the many acts of courtesy they perform throughout the city and suburbs, over and beyond the call of duty.

Each year a few drivers are given an additional award of a monogrammed wallet for ten consecutive years of accident-free driving. The picture shows the three so honoured at this year's dinner:

W. Krzyscka, driving the parcel truck from the Catalogue Building to the Post Office

M. Guicheret, furniture delivery driver

M. Hohenstein, regular delivery driver in Fort Rouge district

Before the awards were presented the drivers enjoyed a lavish roast beef dinner followed by a program of musical and comedy acts.

Congratulations, fellows, and keep up the good work. Eatonians are proud of you.

### A GOOD DRIVER IS A DEFENSIVE DRIVER

"What is Defensive Driving? A Defensive Driver is one who makes allowances for the lack of skill and lack of knowledge on the part of the other fellow: who recognizes that he has no control over the unpredictable actions of other drivers and pedestrians, nor over conditions of weather and road, and who therefore develops a 'defence' against all these hazards. He concedes his right of way and makes other concessions to avoid collision. He is careful to commit no driving errors himself, and is defensively alert to avoid the accident traps and hazards created by weather, roads, pedestrians and other drivers."

# HOUSEWARES GIRLS OF THE MONTH

The title shown above was conferred on three members of the Housewares staff, Third Floor, on Monday, May 7 after all the marks were totalled and they were found to be top three in the month-long competition in that department. Awards were also given as follows:

First place—Mrs. Sylvia Kohut, a corsage and 15.00

Second place—Miss Sophia Wilson, 10.00

Third place—Mrs. Norma Carter, 5.00

The competition was set up with the purpose of encouraging sales staff to give more and better service to our customers. Many of our departments are now arranged to make practical a simplified selling procedure in which the customer makes her own selection and brings it to the cashier. We have been describing this as "self-serve" and perhaps leaving our customers too much to themselves. This is not the intention. Whenever possible, department staff must continue to sell to the customer and help her in her selection. In the Housewares the salespeople have been following the rules of good salesmanship and cheerful service to customers with marked success. The sales total for the department rose encouragingly during the month of April.

To decide which three members of the staff stood highest, several measurements were used. Tallies were important, of course. The daily contribution to the housekeeping and stock keeping in the department was another thing watched closely. Then our shoppers made purchases and reported on what they found under these headings: Appearance of Salesperson; Approach: friendly? prompt? what greeting?; Knowledge of Merchandise; Suggestion Selling; Closing the Sale; General Impression. When the totals were examined the department was pleased with the results and best pleased with the three winners.

Congratulations to all Housewares staff, including those who placed lower than third, and to their enterprising management.

Sylvia Kohut

Sophia Wilson

# PAINTING IN THE PARK

In the April Contacts we announced plans for classes in oil painting with Mr. Scott Brewster, recently of our Picture Department, as instructor. These plans matured and 25 people, men and women, signed up. The first session was held on Sunday morning (9:00 a.m.), June 3, at the Pavilion in Assiniboine Park. To escape a chilly breeze the class settled around the lily pool behind the pavilion, and a couple of hours flew by while they listened to some instruction, worked on their masterpieces(?), and learned from the able criticism and suggestions of Mr. Brewster.

Plans at present are to meet each Sunday at the same time and probably in the same place. It is likely that no class will be held on the July 1 and August 5 long week-ends. Classes will continue into August. If you are interested get in touch with one of these:

Clara Greening, Statistical and Budgeting Department  
Dorothy Lloyd, 118 Department  
Contacts Office

All Eatonians welcome! No need to be a painter. Come along and learn.

## OUR OVERSEAS FLIGHTS ARE BACK

To those of us who stayed home it seemed almost no time from the time the flights took off till they were both back, and it must have seemed even shorter to the people who travelled to Europe. The first flight left on April 29 and arrived home early on the morning of May 28. The second left May 6 and returned on June 4.

Many travellers visited relatives and friends in the old countries. All indulged in the joys of sight-seeing, some journeying to sunny Italy and intervening continental countries, and others covering their favourite spots in the British Isles. Though we hear comments about a cold, late season they are promptly followed by vivid descriptions of the daffodil fields and the tulips and other early flowers which have normally gone by the time our holidayers arrive.

This is the time when plans to go next year or to go again in the near future are started. Next year's flight is not announced yet, but we believe it will be available. The cost of transportation to London and back was \$310.00 this year and should be about the same for next. Questions are asked about how much one need spend to enjoy the almost four weeks in England or on the continent. The answer seems to depend on how lavishly one intends to travel and live. All-expense tours of four, six and ten days are one way to see a great deal at a low cost. We have been talking about a tour to the Lake District for seven days at just over \$75.00 enjoyed by one of our travellers. She met congenial people, had fine, though not lavish accommodation, and saw a veritable wonderland. The rule for inexpensive travel seems to be: see a few places thoroughly and avoid long journeys which add to the cost, though not necessarily to the pleasure.

Watch for announcements of next year's flight. They should appear in the late fall.

## REPORT ON THE FISH DERBY

The annual Victoria Day trip to Shoal Lake, organized by our Angling Club, proved a banner event this year. It was held, of course, on the holiday, Monday, May 21 and made an early start, the train leaving the G.W.W.D. station at 5:00 a.m. and arriving at Indian Bay at 8:00. It sounds like a long trip but the time flew by with the miles and the distribution of free gifts for everybody, cigarettes, food items, lures, Coca-Cola, etc. Each fisherman brought along his own lunch and thermos and there was no lack of nourishment. The crowd of 160 included men, women and a few of the younger set.

It was a fine, sunny day and the fish were biting, though not consistently. The final event before boarding the train for home was the awarding of prizes. Firsts were \$15, seconds \$10 and thirds \$5. Here's a list of the winners:

### For Pike

First—Ed Dunthorne (3 lb. 3 oz.)  
Second—C. Thorsteinson (3 lb.)  
Third—W. Evans (2 lb. 7¼ oz.)

### For Pickerel

First—A. Hayduk (2 lb. 9½ oz.)  
Second—D. Shouldice (2 lb. 9 oz.)  
Third—M. Rossewich (2 lb. 7½ oz.)

### For Bass

First—Nick Kowal (2 lb. 2¼ oz.)  
Second—M. Priemski (2 lb. ¼ oz.)  
Third—Miss Priemski (1 lb. 10½ oz.)

### For Perch

First—J. Hayduk (13½ oz.)  
Second—R. Sparber (13 oz.)  
Third—M. Campain (12¼ oz.)

The train left for home at 6:00 p.m. and arrived at 9:00, giving a sleepy crowd plenty of time to get home and prepare for Tuesday's work.

## REMINDER TO FISHERMEN

Memberships are available in the Eaton Angling Club. The fee is \$3.00. See **John Bay, 1037, President**, or **Bill Evans, 130A, Treasurer**. Further excursions are being planned and you will be certain to hear about them if you are on the membership list.

## ASSISTANTS' ASSOCIATION WIND-UP

The Assistants' Association brought its season of dinner meetings, complete with serious speakers and other projects, to a close with an afternoon of golf. The meet was held this year at Assiniboine Golf Club on Wednesday, May 16, and was followed by an excellent dinner in the club rooms. 57 members attended and it was said that Assistants must live right for on this day the sun was shining

(an unusual occurrence this spring).

Jerry Best, 211 Department, won the trophy, a new one last year presented to the Assistants by Mr. Ken Smith, Assistant Personnel Manager, who was guest of honour at the dinner.

In the absence of Herb Bingham, 53 Rebuy, incoming President, the meeting was chaired by Ray Monteith. Bert Somerville, retiring President, expressed his thanks to all who had made the past season such a success. Thanks for arranging the wind-up are due to Joe Donaghy, Ginger O'Neill and Ray Morrison.

## TENNIS CLUB NOW IN ACTION

Though the wet spring caused a long wait, the tennis courts are now ready and an active group is enjoying the game each evening and on Saturdays. New or renewal memberships are available, fee \$3.00 for Eatonians, \$5.00 for associates, 50 cents guest fee for odd sets. Ask at the courts, St. Stephen's-Broadway on Broadway Avenue, or phone Ina Lawson, 28 Rebuy, President.

## ACTION IN LAWN BOWLING

Opening night in lawn bowling was on Tuesday, June 5 at Sargent Park greens. A good group of 35 turned out. Bob Laidlaw of Staff Relations threw the first bowl and a promising season was under way. The game between the curlers' team and the five-pin bowlers' team (all new lawn bowlers) resulted in a win for the five-pin people. The evening ended with coffee, sandwiches and cake.

More members are welcome in this activity. Just come out any Tuesday or Thursday evening about 7:45 p.m., watch how it's done, and join up. The fee is \$7.00 for the season, \$9.50 for associate members. Phone Dave Mackie, Department 118 for any further information.

## MEN'S GOLF CLUB FIELD DAYS

As this magazine goes to press the Men's Field Days are in full swing with only two winners decided. The picture shows the winner of Class "A," T. Webster of Department 211, holding the McCordick trophy, presented to him by Mr. D. Stewart at the dinner following the afternoon's play.

The competition was held at the Elmhurst Golf and Country Club on a drizzly, cold day, Wednesday, May 30, but the weather didn't dampen the spirit of the golfers and a fine time was enjoyed by all.

Runner-up for "A" Class was L. Martin, 970. Low gross was turned in by J. McClure, 900R, with K. Chalmers, 456, as runner-up.

On "B" Class day, Monday, June 4, the sky was overcast but it was a cool and good day for golf. The G. M. Eaton trophy for this class was won by James Allan of the Receiving Room Department. You'll find his picture on page 21 in another news item. He must have struck his lucky week, winning twice so close together. Mr. Eaton attended the dinner and presented the trophy. Runner-up was J. Corne, 429. Low Gross was won by R. Riel, 151, and runner-up was J. Wood, Travel Office.

Continuing on through June, field days are scheduled as follows:

Class "C" on Monday, June 11

Seniors' and Grandfathers on Wednesday, June 20

Class "D" on Monday, June 25

Class "E" on Wednesday, June 27

Congratulations to all winners! Good golfing to every player!

## WOMEN'S GOLF CLUB NEWS

We hear that the Women's Golf Club has a Pro-Day planned for Wednesday, June 20 at 1:30 p.m. at the Assiniboine Golf Club. Instruction will be given by a well-known professional, then a round of golf, and to complete the day, a fine dinner. This is one of the big events of the season and will doubtless live up to its record. Have a wonderful day, girls!

### Light, Heat and Power—By J. G. A.

"The old order changeth, giving place to new" or so the story goes,

And why some changes come to pass, the layman rarely knows.

Though memory now shall take the place of things that used to be,

We'd like to use this fleeting hour to give our thanks to thee.

So many of you kindly folks have called us in the past,

To say you liked the rambling rhymes and characters in our cast.

You gave us hope, you gave us praise, so far beyond our due,

Like "bread upon the waters" now, we give it back to you.

Though all of us have troubled times, with sorrow and with strife,

We've tried to lay these things aside and see the fun in life.

And if perchance you've laughed a bit or given one small smile,

We've amply been rewarded and its all been worth our while.

Contacts, June 1962

JAMES ALLAN of the Receiving Room staff won a \$5 award for safe driving on Thursday, May 31 in the Safe Driving Week campaign. The Tribune story appearing on Friday, June 1 gave Mr. Allan high praise for his careful and courteous driving, his consistent giving of signals and correct yielding of the right of way. He has been driving only four years.

The article drew attention to the deplorable driving practiced in Winnipeg. The reporter and the inspector drove for three and a half hours to find just three drivers worthy of an award. They said, "During the afternoon we found speeders, lane-jumpers, line-riders, don't-ever-let-the-pedestrian-have-the-right-of-ways, and a host of other unpleasant specimens." COULD YOU HAVE BEEN AMONG THEM?

James Allan

Hearty congratulations to Mr. Allan!

SWIM SAFELY

# SUMMER SAFETY

DIVE SAFELY

## SWIM SAFELY:

Never swim alone. Your buddy may save your life.

Wait for two hours after eating. Avoid cramps. Swim parallel to the shore, not away from it. Never push another into the water—it's dangerous.

## DIVE SAFELY:

Learn how it's done. Avoid diving into strange water.

## BOAT SAFELY:

Never overload your boat. It should be two-thirds out of the water.

Don't put out in uncertain weather.

Go to shore if caught in a storm.

Hang on to your boat if it capsizes. Never leave it.

Wear a life jacket in the boat, especially if you can't swim.

BOAT SAFELY

## TAN SAFELY:

"Easy does it." Not more than 20 minutes to start, 10 for children.

## DRIVE SAFELY:

"The life you save may be your own."

*A Half-Yearly Report  
to the Subscribers of*

### EATON EMPLOYEES' CHARITABLE FUND WINNIPEG

Dear Subscribers:

June 15, 1962

On behalf of the Committee, I would like to express sincere thanks for your interest and support. It is a pleasure and honour to be associated with the Eaton Employees' Charitable Fund. Your generous and consistent contributions make it possible to assist in helping the handicapped, the aged and the needy.

The following pages are submitted to give you a closer contact with the projects you are aiding. Only a very brief indication of the need is possible in the limited space but your Committee Secretary, Mr. V. T. Fotheringham, Staff Relations, has extensive information on file and would be glad to give you further facts on request.

The unfortunate and needy are always with us. To give through our Charitable Fund enables each of us to reach a great many in a small way and, taken together, our small contributions make a worthwhile donation to each cause. Your Committee knows that you are glad to achieve these ends.

R. E. (Bob) Ramscri, (Women's Shoes)  
President.

# **Your Contribution to the Community Chest These Additional Gifts Have Been Made**

## **\$3,000 TO THE MARCH OF DIMES**

This donation helps in the work done by the Society for Crippled Children and Adults of Manitoba which is supported by The March of Dimes and The Easter Seals campaigns and by government grants. The Society provides needy disabled children and adults in the Province of Manitoba with a complete rehabilitation service, including such things as surgery, braces, artificial limbs, wheelchairs, transportation, counselling, and vocational training leading to job placement. Their total budget for this year is \$630,000.

## **\$3,000 TO FRESH AIR CAMPS (\$500 to Each Camp)**

**UNITED CHURCH CAMP  
SALVATION ARMY CAMP  
CANADIAN SUNDAY SCHOOL  
MISSION CAMP**

**LAKE SIDE CAMP  
CAMP WAPATEK  
(Anglican Fresh Air Camp)  
CAMP MORTON**

Our donation to each of these camps helps repair and replace their equipment and make it possible for them to provide a healthy, happy holiday for children who would not otherwise get away from the heat of the city streets.

## **\$750 TO THE ST. AMANT WARD, ST. BONIFACE SANATORIUM**

The St. Amant Ward is a non-denominational residence for retarded children under six years of age and, early this year, accommodated 84 children. More space has become available and, as the need is great, an expansion has been undertaken. Our donation will be used to purchase furnishings for the new wards.

## **\$9,000 TO THE CANADIAN RED CROSS**

From a Red Cross booklet recently received, we take this quotation written by Lady Limerick, G.B.E., L.L.D. "There will always be those who do not fall within categories provided for by the State; those who can no longer face their troubles unaided; the sick, the lonely and the aged; the refugees and the stateless who are not the responsibility of any government; the victims of sudden emergencies and disasters. These are the people who turn to the Red Cross for help."

Through the following services the Red Cross answers the appeals for help:

**BLOOD TRANSFUSION SERVICE  
DISASTER SERVICE  
INTERNATIONAL ASSISTANCE  
ENQUIRY BUREAU  
VETERANS' SERVICES  
SERVICES TO THE  
ARMED FORCES ABROAD**

**WATER SAFETY SERVICE  
SICK ROOM SUPPLY SERVICE  
EMERGENCY AID TO THE NEEDY  
HOME NURSING  
INSTRUCTION SERVICE  
JUNIOR RED CROSS**

## **\$6,000 TO THE CANADIAN CANCER SOCIETY**

The letter received from the Secretary of this society says, in part:

"As you are aware, the majority of the funds raised are devoted to Cancer Research projects, and it is confidently hoped that we are now on a verge of a 'break through' in Cancer Research. There have been considerable strides

# Helps Them to Support 41 Organizations. de on Your Behalf Since January, 1962

in the Research Program which have been most encouraging. In addition to Research, we, as you know, are responsible for the welfare of the Cancer patients, particularly those who are in need, and for the Educational Program."

## **\$3,000 TO THE MANITOBA HEART FOUNDATION**

This Foundation is an affiliate of the National Heart Foundation of Canada and thus its research programs are integrated with other programs all across Canada to make the total picture as effective as humanly possible. Fifty per cent of all deaths in Canada still come from heart disease of one kind or another. Many people suffering from heart disease have been returned to a useful life because of techniques developed from Heart Research. At present 15 separate programs are in progress in Manitoba. \$100,000 is needed just to carry on with these. Our contribution is much appreciated.

## **\$1,170 FOR EASTER PARCELS FOR DEER LODGE VETERANS**

At Easter 585 veterans in Deer Lodge Hospital received a parcel from us, each valued at \$2.00 and selected to suit the taste of the individual, whether for candy, magazines or smoking supplies. Many notes were received expressing appreciation—even one hand-written poem:

Being remembered in such a nice way  
Means a lot more than just "thank you" can say.

## **\$2,500 TO MIDDLECHURCH HOME OF GREATER WINNIPEG FOR FURNISHINGS**

Last November your Committee received a letter from the President of this Home asking that we make a contribution to the furnishings and equipment of the new building to be opened in the spring. With the new building the Home will now provide accommodation for 125 persons, administration offices, dining-room, kitchen, main sitting room, 25-bed infirmary, workshop, activity space, meditation rooms, lounges, laundry room and storage space. This excerpt from the brochure explains the objectives. "It is the responsibility of the Board of Management of Middlechurch Home to ensure that its residents have the opportunity to live out their lives with dignity, companionship and comfortable surroundings."

## **\$3,000 TO THE SALVATION ARMY, RED SHIELD APPEAL**

This appeal asks that we "Give from the Heart." The Salvation Army needs our aid to maintain its many avenues of service, including:

**SUNSET LODGE FOR AGED WOMEN,  
OLD KILDONAN**

**GRACE HOSPITAL**

**PRISON AND**

**POLICE COURT DEPARTMENT**

**MEN'S HOSTEL, 175 Logan Ave.**

**UNMARRIED MOTHERS' HOME,  
Arlington St.**

**HARBOUR LIGHT**

**REHABILITATION CENTRE**

**ANTI-SUICIDE BUREAU**

**MISSING PERSONS BUREAU**

Many who are not eligible for other assistance are reached and helped by the Salvation Army.

## \$700 TO THE SANATORIUM BOARD OF MANITOBA

The new Manitoba Rehabilitation Hospital at Sherbrook Street and Bannatyne Avenue is administered by the Sanatorium Board of Manitoba. In May we received a letter from the Board asking us to help in the raising of \$100,000 which they must secure in voluntary contributions to assist in the purchase of special equipment and furnishings. Government grants, both Federal and Provincial, cover a large portion of the cost of the \$4,000,000 hospital that will act as a centre for Manitoba in the special treatment of persons suffering from difficult and disabling conditions. Our contribution will purchase a special rehabilitation machine for occupational therapy.

## \$200 TO WORLD CHILD'S DAY

This project is sponsored by the Hadassah-Wizo Council of Winnipeg. It is a day set aside for a canvass by teen-aged children for funds for underprivileged children throughout the world. Funds collected are distributed to many child welfare organizations such as U.N.I.C.E.F. World Child's Day was on May 6 this year.

## \$350 TO THE PSYCHOPATHIC HOSPITAL, WINNIPEG

This donation was made to provide a television set. The letter requesting help said in part: "Male and female patients in open wards are free to use the common recreation room whenever they desire. A TV set in this room would add very appreciably to their opportunities to interest themselves. This, of course, would have a beneficial therapeutic effect."

## \$49.90 TO THE CONVALESCENT HOSPITAL, 676 JESSIE AVENUE

This donation represents the cost of renewing the subscription to various magazines—a contribution which we make at regular intervals.
